

New Retirement Services Consultants delivering service statewide

The Public Employees' Retirement Fund is now able to bring customer service straight to your office, face-to-face, anywhere in Indiana.

With a new regional approach to customer service, four Retirement Services Consultants have been deployed to [four regions](#) in the north, central and south of the state. These consultants will be able to assist employers with their interaction with PERF, and meet PERF members in groups or individually to educate them on their PERF benefits.

The new Retirement Services Counselors soon will arrange a series of employer meetings throughout the state to meet you and become familiar with your service needs. To arrange a meeting with a Retirement Services Consultant, contact PERF toll-free at (888) 526-1687, or contact a consultant directly, as noted below.
